MEDINA DEMOLAY PARENTS CLUB

The purpose of the parents club is to cooperate with and assist the Advisory Council of the Chapter in promoting the growth of the Chapter and its members, and to serve the Chapter and strengthen the interest of each member in DeMolay.

On March 12th the parents club is preparing a corned beef and cabbage dinner. The boys will be serving the dinner, and some of the proceeds of the dinner will help the boys pay for their trip to DeMolay Conclave this summer. Please support our boys.

We are asking for help from parents, so if you are able to help out please contact Dad Gordon Shuler or Dad Doug Shuler. We hope to see your family and friends on March 12th. Our next parents club meeting will be on April 5th at 6:30pm. We hope you will join us.

Morning News

I would like to thank everyone who helped make our installation a success. We have just completed a very good term of bringing in new members and now's the time for us to push even harder. Last term we brought in six new members, so this term we need to beat that number. Let's make a good showing of members for the district ceremonial, so we don't have to do the degree work. Also, the standing committees need to get active as soon as possible. Please look at our website or call me to find out if you are on a committee.

Fraternally,

Sean Shuler

Advisory Council

I would like to take a moment to congratulate all the members who competed in the district and state ritual competitions. Our chapter did well again this year. Without the certificates in front of me I cannot be exact on the places of everyone, but I can say that we had several district and state first and second places, which means that members of our chapter will again be representing the state at the Heartland Ritual Competition. Great Job guys!

Fraternally,
Douglas Shuler
Chapter Advisor

Sports

Basketball season has come to an end for Medina. Having lost our third playoff game we are out of the running and ended up in fourth place out of five teams. State 3 on 3 basketball was held on March 5th and was well attended. Our team of Andrew, Alex, and Sean Made it to the third round before getting knocked out. While they were on the court brother John Weatherford took second place in the Halo II tournament.

The News at Noon

Members, we have a laser tag prospect party planned for Saturday March 26, 2005. It will be held at the Laser Quest in Montrose. The time will be around 7-8pm, but we do not have a reservation yet. We will vote at our next meeting to see if we will make this a pizza party too and if prospects will get in free. See you at the next meeting!

Sincerely,

Membership Team

Evening News

It is good news that we have no sick or ailing brothers to report, except for a few with colds or the flu. So, keep taking those vitamins.

The fundraising committee will be meeting soon to discuss how we will meet our budget for the term.

Sincerely,

Fundraising Committee
