## Welcome to a new Term

Congratulations to all of the newly installed officers of Medina Chapter. I know that your elected officers are ready to make this a very successful term. Our membership and fundraising committees are already putting plans into action to raise funds for the chapter and increase our membership. I will let your councilors fill you in on the details.

I also want to say a few words to you as you return to school, yes, I said school. We all understand that many of you are involved in school activities and will have that terrible thing called "HOMEWORK". Of course school work comes before our work and activities in DeMolay, but that is why it is so important for you to be organized and plan for our meetings and activities. Get your homework, especially "Projects", done early so you are able to attend DeMolay activities.

Finally, I would like to congratulate Dad Dan Marshall for being selected to be invested with the Legion of Honor Award. This award is the highest recognition in the gift of the International Supreme Council. Dad Marshall has been a strong supporter of DeMolay for many years and we should all support him by attending the Investiture Ceremony on September 17, 2005 at the Cleveland Masonic & Performing Arts Center (CMPAC). At 8 O'clock pm.

## Morning News

Hey Medina,

This is your newly Installed Master Councilor. I just wanted to let you guys know that I am pumped about the new term and I can't wait to get started. I am going to give 100% this term and I expect all of the officers to give just as much if not more effort. I am only here to guide the chapter not make all the decisions or become a dictator. You guys run the chapter and I don't want you to forget it. I want your input on everything. Most of you know my cell phone number and if you don't it's at the bottom of this article. I want all of you to call me everyday if you want just to tell me what you want to do or even just to say hey. I'm here to make this term and your entire DeMolay career the best it can be.

Fraternally,

Alex Marshall (330) 414-6670-cell phone

## Advisory Council

Our advisory council is very hard at work preparing for and beginning to execute the new term plan with the officers and members of Medina Chapter. Since Alex has taken another term in the East it will be necessary for one of us to fill in the Scribe's position until a replacement is found. In regard to that I would like to invite any member of Medina Chapter who may be interested in this very important position to make his interest known to the advisors. The Scribe has many responsibilities without having to memorize much ritual. So, if you would like to give it a try talk to an advisor.

I would also like to thank all of the Councilors for getting the articles in on time this month.

Dad Shuler  
Chapter Advisor

## Sports

Just a reminder that District Bowling begins September 18<sup>th</sup>. So, if you are planning to bowl, make sure you let your Master Councilor know so he can prepare for the bowling season.

## The News at Noon

Hey Guys,

This is your newly installed Junior Councilor. Here are some of the things that our membership committee is working on. One of the things is, we can put an advertisement for Medina DeMolay on the Armstrong Cable channel for 90 days, it will cost 3 dollars a day but we could get more prospects. Another thing is we are applying to hand out fliers at Medina City Schools to get more prospects. See you at the next meeting.

Fraternally,

Adam Marshall

## Evening News

Hello Brothers,

This is your new Senior Councilor. I want to let you know about our new fundraiser for the month of September. It is called "Dine & Donate" from Eat & Park Restaurants. Anyone who goes there to eat and presents our flyer when they pay will be donating 10% of their bill to us. It won't cost the customer anything. The 10% comes from Eat & Park. I have plenty of flyers and it can also be downloaded from our website. Just click on the DeMolay Emblem on our home page.
