Two Frogs

A group of frogs were traveling through the woods, and two of them fell into a deep pit. When the other frogs saw how deep the pit was, they told the two frogs that they were as good as dead. The two frogs ignored the comments and tried to jump up out of the pit with all their might. The other frogs kept telling them to stop, that they were as good as dead. Finally, one of the frogs took heed to what the other frogs were saying and gave up. He fell down and died.

The other frog continued to jump as hard as he could. Once again, the crowd of frogs yelled at him to stop the pain and just die. He jumped even harder and finally made it out. When he got out, the other frogs said, "Did you not hear us?" The frog explained to them that he was deaf. He thought they were encouraging him the entire time.

This story teaches two lessons:

1. There is power of life and death in the tongue. An encouraging word to someone who is down can lift them up and help them make it through the day.

2. A destructive word to someone who is down can be what it takes to kill them.

Morning News

Hello Medina,

This is your favorite Master Councilor, Alex. Well I think we had a great first month of the new term and I can't wait for the next one. Just to let you guys know, we had the highest attendance of any chapter at State Paintball. That is awesome. If we can get that many people to the rest of our activities we would be rock 'n' the house. Any way come to the meetings, find out what's going on, and have fun.

Fraternally,
Alex Marshall

Advisory Council

Our advisory council meeting this month is on October 18th and will be our annual meeting. All paperwork for the next year will be filled out and fees paid. All advisors must have the proper paperwork filled out that night.

The News at Noon

Hey guys,
This is your Junior Councilor, we have been planning a Laser tag prospect party at Amazone on October 22. Guys the whole idea of a prospect party is to BRING PROSPRECTS, since we did not do that at the last prospect party he had. We need more members so bring prospects to the Laser tag party who you think will join so we are not wasting our money. Just keep bringing in petitions and we will always have a full core of officers.

Fraternally,
Adam Marshall

Evening News

Hello Brothers,

Well, the Eat-n-Park fundraiser is over, but we have not yet received the final numbers on how much we made yet. We are currently selling Malley's Candy bars for \$1.00, So get out there and SELL!

Fraternally,
John Weatherford
